Homer Duea, veteran herdsman for Dr. S. A. Donahoe, holding Don Hill Bertha 2d and receiving the Ak-Sar-Ben Trophy from Show Chairman, Harry B. Coffee. This trophy was won on Don Hill Bertha 2d who had just been named the Grand Champion female of the 1951 National Show at Omaha.

# Terms and Conditions

1. The terms of this sale are cash. Each animal will be at purchaser's risk as soon as bid off, but will not be delivered until settlement has been made. Cattle will be cared for and loaded on cars or trucks free of charge but at the purchaser's risk of loss or injury.

2. All cattle are absolutely healthy in every respect and will have passed the tuberculosis and Bangs disease tests within thirty days of the sale. Health certificates will be furnished where required to ship into any state or territory. Calfhood vaccination has been practiced for many years in the herd.

3. Certificate of registry with transfers entered and recorded in the buyer's name will be furnished with each lot sold and an application will be furnished for every calf at foot and every calf carried in dam.

4. The DONAHOE Herd is backed by an enviable reputation gained through good management and honest business practices. The pedigrees are correct and the cattle are healthy.

Nearly every cow in the herd either has a calf at foot or shows every evidence of being well forward in calf. As this is a dispersion sale, no guarantee will be given except in the case of the senior herd bull, Gregg Farms Mercury. The owner will guarantee Gregg Farms Mercury to be a breeder if he is not allowed to run with the herd and if he is maintained in as good condition as when purchased. In case he fails to prove a breeder, notice must be given within six months of the date of the sale. The purchase price, without interest, will be refunded in case Gregg Farms Mercury fails to meet the guarantee and the disposal of this animal will be at the option of the seller.

5. The above terms constitute a joint contract between S. A. Donahoe, the seller, and the buyer of each lot. Neither the Sale Manager nor the person delegated as Clerk assumes any liability, legal or otherwise.

6. Although we will use every precaution to provide for the comfort and safety of our guests, all persons who attend this sale do so at their own risk and the owner assumes no liability, legal or otherwise, for any accidents that may occur.

# A Word About the Don Hill Herd

In describing the Dr. S. A. Donahoe dispersion it has been called "**A Golden Opportunity Sale**" of One of the Best Breeding Herds in America. This is a statement that can be made in all sincerity. It has been my good fortune to be well acquainted with the Don Hill herd since its establishment, and being present at the various top sales when many of the foundation animals such as the herd bulls **Edellyn Loyal Mercury**, the great **Edellyn Royal Leader 19th**, **Gregg Farms Mercury**, and such great brood cows as **Shore Acres Augusta C**, **Hickory Knolls Bertha**, **Comrie Clpper 7th**, **Maxwalton Clara 4th**, **Columbia Claret 10th**, **Myrtle of Helfred 3d**, **Comrie Rosemary 4th**, and **Sunnyhill Silver Rose 7th** were purchased.

These were purchased because they were the kind of cattle that Dr. Donahoe was looking for and had in mind to produce. These outstanding animals which were purchased because of their breeding and individuality, and regardless of price, have gone on and sired and produced **champions, winners, sale tops**, and **established great producing families** in the **Don Hill herd**.

It is a well known fact that Dr. Donahoe, with the capable assistance of **herdsman Homer Duea** insisted that the herd measure up to certain standards. The herd was always rigidly culled, and only the best was sold for breeding stock or retained in the herd. Therefore, it is no wonder that the herd has reached a state of productivity where the anticipated offspring can be depended upon to be of top quality in advance.

It can well be called a **PRODUCTION PROVEN HERD**. The breeding is of the very best. The herd bulls have all been of championship caliber. This herd has as much of the famous **MERCURY-ROYAL LEADER** cross as any herd in America next to Edellyn Farms.

It is only fitting to mention a few of the great animals, who sell. The champion senior herd sire, **Gregg Farms Mercury**; **Don Hill Bertha 2d**, the **American Royal champion**; **Sunnyhill Silver Rose 7th**, the mother of the noted **Edwin Royal Leader** and the mother of four bulls that averaged nearly \$2,000.

Sound herd management has always been practiced. Calfhood vaccination has been practiced since the start of the herd, and at the present time every animal on the farm has been vaccinated. This is a great herd, a sound herd, a healthy herd, and a herd that anyone can buy from with confidence.

Glowing attributes are not necessary because the **factual footnotes are definite proof**. Many are sorry to see Dr. Donahoe leave the ranks of active Shorthorn breeders. However, the dispersion of this herd will be the gain of many other breeders.

It is sincerely hoped that every member of the Shorthorn fraternity who possibly can will try to attend this great dispersion and obtain some of the members of this herd to strengthen his own herd.

ALBERT J. HAMANN, SALE MANAGER

**EDWIN LEADER**—1949 International Champion and record Congress top of \$10,000 shown by McCone Bros., Defiance, Iowa. His sire, Edwin Royal Leader, was bred at Don Hill Farms. His dam, a full sister, and a half sister, sell.

**OHIO'S LEADER 2d**—1953 International Grand Champion Steer over all breeds shown by Ohio State University. His sire was a full brother to Edellyn Royal Leader 19th whose get are a feature of this dispersion.

# To My Shorthorn Friends

It is with extreme regret that I announce my retirement from the breeding of Shorthorn cattle. For almost twenty years we have striven to develop and produce a type of Shorthorn here at **Don Hill Farms** that we conceived to be the "**Modern Type**" and which we liked to refer to as a "big little cow"; in other words, a cow with a good sized body but short legged. In doing this we carefully selected our female herd and more carefully chose the bulls to use on these females. **Divide Gold Ring** from the Wharton Allen herd was used first, followed by **Edellyn Loyal Mercury**, a son of Calrossie Mercury. He was in turn replaced by **Edellyn Royal Leader 19th**, probably the greatest breeding son of Edellyn Royal Leader. This bull needs no introduction, he made his mark in the show and sale ring. There are 23 of his daughters and 4 sons in the sale.

Our present herd bull, **Gregg Farms Mercury**, that sells in the sale is a grandson of Calrossie Mercury. He, too, has left his imprint on the breed, having been Reserve Grand Champion at the Iowa State Fair, The American Royal, and The San Francisco Cow Palace, as well as a first place winner at the International Livestock Show. In 1952 he sired the Grand Champion Female at the Congress Sale in Chicago. He, too, has many daughters in this sale, and most of the cows are carrying his service.

This herd has never been pampered in any way. They have been kept as a breeding herd. The sturdy, blocky calves that many of the cows have at side, as well as the long breeding dates of the others will attest to that fact.

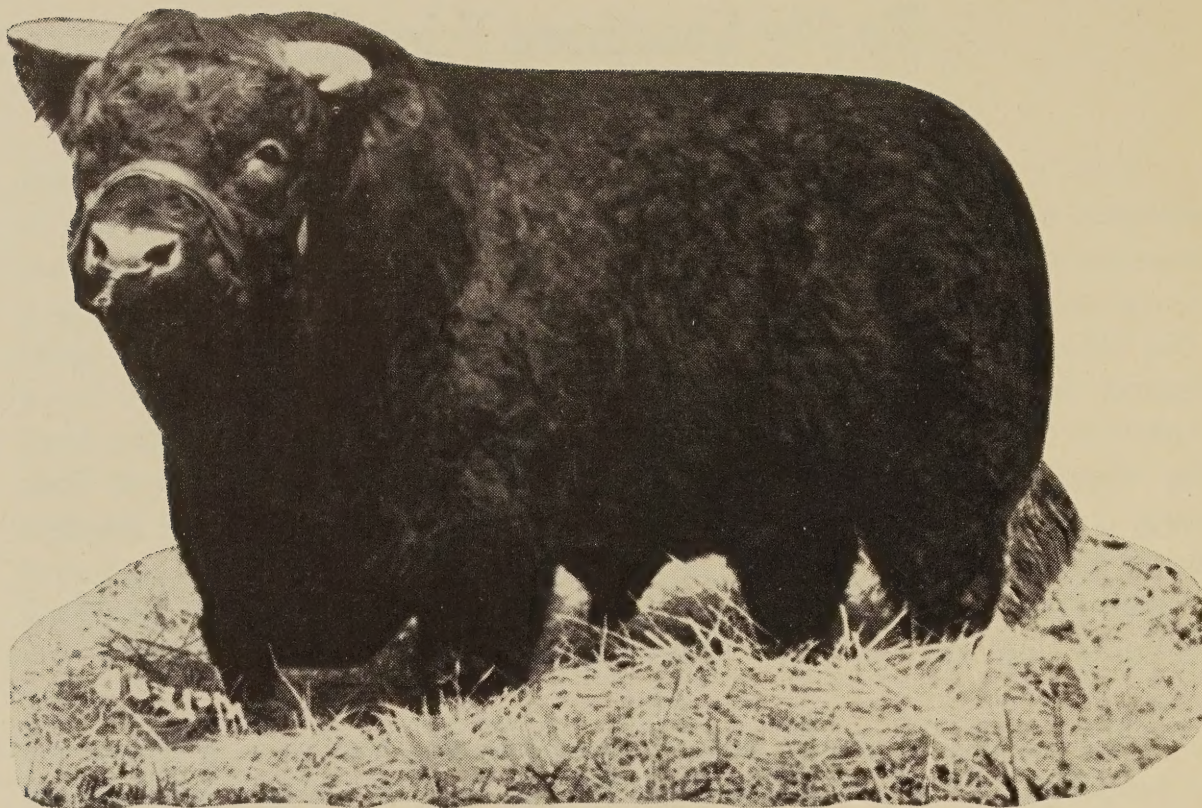

We have practiced calfhood vaccination since the inception of the herd so that everything on the farm has been vaccinated.

I shall not lose my interest in Shorthorn Cattle, and shall continue to do all I can to promote what I firmly believe is the finest breed of beef cattle in existence.

Au revoir,

S. A. DONAHOE

**EDELLYN ROYAL LEADER 19th**—We purchased this bull in the 1945 Edellyn sale. He was extremely short-legged, deep, thick, rugged and with a good head. His sire was the all-American favorite, Edellyn Royal Leader, and his dam, Village Beauty A 4th, a granddaughter of Calrossie Command is considered one of the top females ever to leave Edellyn Farms. In 1945 he was champion at the Sioux Empire and South Dakota State Fair, the only times shown. He is probably one of the greatest breeding sons of Edellyn Royal Leader. In the Don Hill herd he sired many champions, sale tops and good cattle. Many of his sons sold in the \$1,000 to \$4,000 bracket, and went to all parts of the United States. Many daughters sold well to good herds, although the most of them were retained. His most noted son, was Edwin Royal Leader, the Iowa State Fair Champion who sired Edwin Leader, the \$10,000 International champion. Although the 19th is gone, there are four sons and 24 outstanding daughters that sell. They are probably the finest group females to sell anywhere.

**GREGG FARMS MERCURY**—Was good as a calf and developed into a powerful bull. He is sired by the \$4,100 Edellyn Valiant Mercury who also sired Gregg Farms Hoarfrost, the 1949 International reserve champion. His dam is a granddaughter of Imp. Baronet. In 1947, as a senior calf, Gregg Farms Mercury was reserve champion at the Golden Gate Exposition in San Francisco and second at Chicago. We purchased him at the 1948 Merryvale sale top of \$3,500. In 1948, as a senior yearling, he was reserve champion at the Iowa State Fair, the American Royal, first at the International, and champion of the South Dakota State Fair. He has sired the \$2,500 champion and top female of the 1952 International Congress sale, and 1952 Ohio State sale top female at \$1,275, the \$2,000 Albert Oxtan herd bull, three bulls that were the 1953 Sioux Empire sale, Sioux Empire Fair and South Dakota State Fair champions, respectively. Other sons and daughters have gone to top herds in all parts of the country. He is the sire of 11 bulls, 18 females and many of the calves at foot in the sale. Many females carry his valuable service. He transmits the fleshing and bone of the Mercurys'. Still a great individual, he is active, sound, sure, and sells as a guaranteed breeder. There is much usefulness ahead of this great sire.

**DON HILL ROYAL LEADER 58th**—This is the bull we had ear marked for our junior herd sire. The reason for this was that he was one of the best calves sired by that great and proven sire, Edellyn Royal Leader 19th. In addition, his dam, Westdrums Secret is our best producing imported cow by the Perth reserve champion, Cluny Brave Rodney. He has a great head, is deep, thick, rugged, low-set, a beautiful dark red with a world of bone and substance. His half brother out of the same dam sold for \$1,100, and a younger calf and his dam both sell. Therefore, by breeding inheritance, and individuality, he has every right to be a great herd sire. He is a tried, sure breeder and will solve the herd bull needs of someone. Some of our best females carry his service or will be bred to him.

**SUNNYHILL SILVER ROSE 7th**—Must be considered one of the great cows of the breed. She is a good headed, deep, thick, wide and roomy beef cow that is short-legged and has plenty of scale. She is sired by Imp. Royal Edwin, a straight MacGillivray bred bull, and out of Silver Rose 7th by the Scottish Highland champion, Imp. Brawith Boy. Her production record reads like a book. She lost her first calf. Her second calf sold at 6 months for \$1,000 to McCone Bros., Defiance, Iowa. He was Edwin Royal Leader who was second at Chicago as a calf, Grand champion at Iowa, third at Kansas City National, and second at Chicago in 1949. He sired many International winners including the record \$10,000 Congress top and 1951 International champion, Edwin Leader. Her next calf sold to Albert Oxtan & Son, Andover Sq, Dak. for \$2,500 where he is siring State Sale winners. Her next calf Don Hill Royal Leader 33d was a district and State fair champion that sold in 1951 Congress sale for \$3,100 to Anoka Farms, Waukesha, Wisconsin. Her next son was the 1952 Sioux Empire Sale top at \$1,050, selling to Oscar Megard, Sherman, So. Dak. These four sons averaged nearly \$2,000. Her next calf, a heifer and full sister to the four great sons, is an outstanding yearling heifer in the herd and sells. She, herself, sells with an outstanding June 27 roan bull calf by the great sire and champion, Gregg Farms Mercury, and was pasture re-bred to him in September. Still producing and in remarkably good condition, who will place the value and be the fortunate new owner on a three-in-one combination like this?
